

The 4th IEEE Workshop on

Advances in Information, Electronic and Electrical Engineering AIEEE'2016

Vilnius, Lithuania, November 10–12, 2016

SECOND CALL FOR PAPERS

The workshop aims at bringing together researchers and young scientists from information; electronic and electrical engineering field of science in an effort to promote and encourage cross-fertilization of ideas and tools related but not limited to computer technologies; audio or image processing and recognition; automatic control; robotics; computer hardware and software; telecommunications; information technology; information systems; system security and control; modelling and performance; e-commerce and e-governance; cloud computing; human computer interaction; cyber-physical systems, intelligent systems; high performance and next generation computing; sensor nodes; circuits; devices; wireless sensor networks; internet and web applications; mobile computing; semantic Web and ontologies.

Organized by:

IEEE Lithuania Section

Vilnius Gediminas Technical University

IEEE Latvia Section

Riga Technical University

Workshop Chair/Co-Chairs: Prof. Darius Plonis, Vilnius Gediminas Technical University

General Co-Chairs:

Prof. Dalius Navakas

Vilnius Gediminas Technical University, Lithuania

Prof. Assoc. Andrejs Romanovs

Riga Technical University, Latvia

Scientific and Organizing Committee:

Prof. Vytautas Urbanavičius

Vilnius Gediminas Technical University, Lithuania

Prof. Ilja Galkins

Riga Technical University, Latvia

Technical Co-Sponsors:

IEEE Lithuania Section's Education Society Chapter, Young Professionals Affinity Group, Vilnius Gediminas Technical University and Kaunas University of Technology Student Branches.

IEEE Latvia Section's Joint Power Electronics/Industrial Electronics/Industry Applications and Computer Societies Chapters.

Important Dates:

Submission of paper draft (for oral presentation) or extended abstract (for poster or demo presentation)*:

October 3, 2016

Notification of acceptance:

October 17, 2016

Final paper or abstracts/visuals submission**:

November 7, 2016

* – Paper or extended abstract must include presenter's IEEE member number (valid for year 2017).

** – Proceedings, published in a volume with ISBN number, will be submitted for inclusion in online digital libraries IEEEXplore and Thomson Reuters Web of Science (Conference Proceedings Citation Index). The last AIEEE proceedings issue is already in both libraries!

Selected best papers will be considered for publication in Lithuanian and Latvian scientific journals.

Poster or demo presentation abstracts/visuals will be posted at the conference WWW site.

For Submission and Registration Guidance:

Darius Plonis, darius.plonis@vgtu.lt (LT)

The 4th IEEE Workshop on

Advances in Information, Electronic and Electrical Engineering AIEEE'2016

Vilnius, Lithuania, November 10–12, 2016

COMPETITIONS AND SOCIAL PROGRAMS PRE-ANNOUNCEMENT

Awards Program:

Best Paper Award – single degree diploma

Best Poster Award – first and second degree diplomas

Best Demonstration Award – first and second degree diplomas and prizes for all.

Evening events:

Welcome party

Gala dinner

Farewell party

Tours:

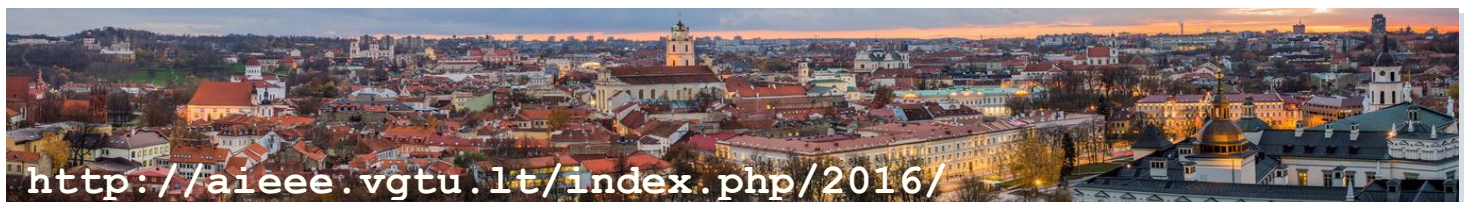

Vilnius downtown tour

Kaunas city tour

Trakai country tour

... to be updated with details in the nearest future.
